

RCR15 SERIES SINGLE SPINDLE ROTARY CUTTERS

HP REQUIRED
20-60 HP

CUTTING CAPACITY
2"

HITCH
Cat. 1 & 1 Ltd.

CUTTERS

Efficient handling and dispersing of material.

For small acreage owners looking for a heavier cutter, Land Pride offers the RCR1548. It features a 2" cutting capacity, a high blade tip speed, and larger gearbox than the RCR12. Ideal for maintenance of lanes, pastures, and other rough-cut areas.

Round back design helps discharge grass better than enclosed or partially enclosed cutters. The fully welded deck adds additional strength.

5 YEAR
LIMITED GEARBOX
WARRANTY

Two position floating top link offers greater lifting leverage for subcompact tractors, and allows deck to hug the terrain.

10 Gauge stump jumper allows cutter to slide over obstructions protecting the gearbox output shaft.

Heavy-duty 1-1/4" spindle on the tailwheel gives strength to protect the tailwheel assembly.

	RCR1548
Horsepower	20-60 HP
Hitch	Cat. 1 & Cat. 1 Limited
Working Width (cm)	47-1/2" (121)
Overall Width	53-1/2"
