

WELCOME

Welcome to the first instalment of our newsletter.

We understand that our customers have busy lives, and keeping up to date with innovations, information, stock availability and pricing can be a daunting task. With this in mind, we have prepared our newsletter as a tool to provide you the information that you need. Newsletters will be available on our new and revamped websites, and emailed to customers on our mailing lists so please join our mailing list to keep abreast of our latest news.

The current economic climate which has resulted in rising costs of living is having an impact on us all. This month, we are offering incredible discounts on Kubota products, including 0% finance to approved customer, so now is the time to buy and leave those extra dollars in the bank.

A new year brings us new opportunities and another 365 days to bring our plans to fruition. If it's time for you to update your current range, or if you are considering purchasing new machinery or equipment, please contact us today to take advantage of our special offers in January.

Bunbury & Nicholls Machinery wish you health and happiness for the year ahead.

KUBOTA SALE ON NOW

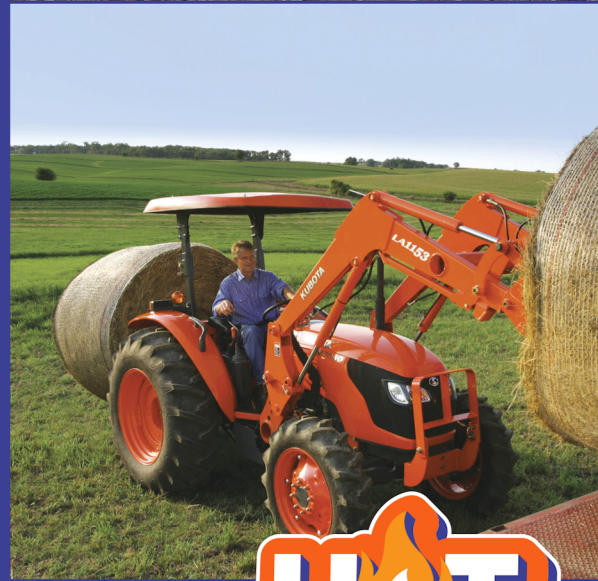

Kubota has a range of machinery and equipment renowned for their outstanding performance, versatility and reliability. Whether it's a large tractor for your agricultural application, or a utility vehicle, we have you covered at Bunbury & Nicholls Machinery.

Now is the time to buy due to the price reductions across the range during January, only at Bunbury & Nicholls Machinery.

Why should you buy Kubota?

- ✓ Kubota are competitively priced in the market
- ✓ Kubota are currently offering very competitive finance rates across the range, making your purchase achievable, whatever the range or horsepower.
- ✓ The Kubota product is trusted nationally and internationally, hence why it attracts long warranty periods as we trust our product
- ✓ Kubota is No. 1 in Australia in the 0-180 HP range, advancing it's competitors over the last few years.

Bunbury & Nicholls Machinery back Kubota Tractors Australia with an extensive holding of wearing and spare parts, complimented with qualified technicians with the latest diagnostic software if required. Our fully qualified technicians can come to you in their stocked service vehicles, or your machine can be transported to our fully fitted out workshop on our premises by our tilt-tray.

HOT SALE

Real Machinery

Bunbury & Nicholls Machinery strive to bring the industry, your business and current and new clients the best franchises, along with knowledge to match the machine to your application and after sales care. We take customer care seriously and want your experience from purchase through to after sales requirements to be a memorable one.

Kubota are market leaders supplying a wide range of machinery from ride-on mowers, compact tractors, RTV's, mid-sized tractors for smaller acreage, larger tractors for orchards, vineyards and farming and commercial higher horsepower tractors for the larger farmer, contractor, mowing and baling, industrial equipment from excavators 1-8 tonne, tracked and wheeled skid steers and articulated loaders.

Krone supplies magnificent German engineering from three point linkage mowers, trailed mowers with conditioners, the new Vendro tedder, revolutionary Swadro rakes, Varipak balers, large square balers and silage wagons for all of your feed, silage and hay needs.

Real Service

Real service is what we strive for in both of our dealerships on a daily basis. Whether it's your first visit to our showroom, or you are a regular customer, we pride ourselves on the service that we provide to all our customers.

Parts Department

With a wealth of knowledge in our Parts Departments, we can identify and supply the part you are looking for. As stockists of Kubota, JCB, Bunning & Supreme genuine parts along with Bare-Co, Duncan, Howard and Silvan, we've got you covered. If we don't have a part in stock, we will try and get it for you. Our dedicated parts teams are available on weekdays between 7am and 5pm.

Service Department

Our Service departments provide quality service to meet customer's individual needs. We offer both a workshop and mobile service, with experienced technicians available all hours to cater to the demands of our customers. Our team of dedicated personnel undertake ongoing training to ensure that they are upskilled across our range of equipment.

Hire & Trade Department

Our Trade department has an extensive range of equipment and parts for our local trades people. We are proud to be:

- A premium dealer for Wacker Neuson
- A preferred supplier for Crommelins and
- An exclusive South West distributor for the Avista range of concrete sealers and resurfacing agents

Our Hire department includes agricultural and industrial vehicles and equipment for dry hire at competitive rates. Our Hire & Trade Department (Bunbury only) opens at 7am for our customer's convenience.

Real People

Real People - it's what makes us who we are! Our personnel are not only exceptional in their fields, but they are also focussed on providing our customers with exceptional customer service from the enquiry point right through to after-sales service. It's this service that keeps our customers coming back to us time and time again. We will be showcasing our personnel within our Newsletter in the future, starting with our General Manager.

Darren Pulford, General Manager

Darren joined Bunbury Machinery over eight years ago, commencing as the Sales Manager. When the General Manager position became available, the owners of the business had no hesitation in offering the position to Darren due to his experience, work ethic and exceptional customer service skills. Darren is a highly respected leader of the business who leads by example in all aspects of his role.

Darren oversees both Bunbury Machinery and Nicholls Machinery, bringing his wealth of knowledge to both businesses, and ensuring a consistent approach to all facets of both businesses.

Darren has an extensive background in agriculture and viticulture and he recognises the dynamics of these industries from an operational perspective. Due to this background, Darren has a higher understanding of customer's needs which equates to recommendations to suit your needs.

Darren can be contacted on (08) 9792 3923 or 0417 929 487.

Real People - Nicholls Machinery

Dean McNaughton, Branch Supervisor

Dean joined the team at Nicholls Machinery at the beginning of 2009 as a Sales Representative, specialising in construction equipment. Since then, Dean has expanded his product knowledge to include agricultural equipment.

In 2022, Dean was appointed as the Branch Supervisor to assist Darren.

Dean enjoys talking to prospective and existing customers to recommend solutions based on their needs.

Dean works closely with the team at Nicholls Machinery to ensure our customers receive the best solutions and the best service.

Dean can be contacted on (08) 9752 1466 or 0418 212 302.
